Brand New Book ***** Print on Demand *****.Excerpt from A Practical Synopsis of Cutaneous Diseases: According to the Arrangement of Dr. Willan, Exhibiting a Concise View of the Diagnostic Symptoms and the Method of Treatment The opportunities which have been afforded to him, from his connection with two extensive medical charitable institutions, have enabled him to add considerably to the practical part of the work; and he trusts that, in this respect, the present edition will be found not unworthy of the confidence of the practitioner. It is the wish of the Editor still to improve the volume; and he shall anxiously embrace every opportunity which his brethren may afford him of doing so, conscious that much may be done in advancing the treatment of a class of diseases, which have hitherto been regarded more as affording opportunities for empirical experiments, than for the application of those principles which are founded upon an accurate knowledge of physiology and pathology. He has augmented greatly, at the close of each genus, the lists of the works which may be consulted on the diseases that constitute the...
