In this world, she creates her favorite subjects - flowers, plants, and vines - the old fashioned way. With a paintbrush and paper. But when she and the other girls in her crafting club accidentally enter a magical world called the Realm, Alyssa discovers she can create and command the plant life with mere words. Then it happens. The oddly heavy, metal medallions arrive in the mail, sparking a frenzy of speculation. Each girl receives one, engraved with a design unique to her talents. It is a big mystery who sent them and an even bigger mystery as to why. But when...
