

Christians and the State

By John Duddington

GRACEWING, United Kingdom, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Marriage, abortion and gender selection, human fertilisation and embryology, sexuality, religious education, wearing of religious dress and the display of religious symbols, the use of the Bible or Christian prayers in public life are all issues confronting contemporary Christians. The genesis of this book lies in the address which Pope Benedict XVI gave to both Houses of the United Kingdom Parliament in September 2010 in which he spoke of the contribution which religion can and indeed should make to political debate: The central question at issue, then, is this: where is the ethical foundation for political choices to be found? The Catholic tradition maintains that the objective norms governing right action are accessible to reason, prescinding from the content of revelation. According to this understanding, the role of religion in political debate is not so much to supply these norms, as if they could not be known by non-believers - still less to propose concrete political solutions, which would lie altogether outside the competence of religion - but rather to help purify and shed light upon the application...
