T T is usual to regard the expressions Christian-. unity and the unity of the Church as equivalent in import; but as numerous fallacies are apt to lurk under the unreflecting use of the latter expression, it is important that a definite meaning should be attached to each phrase, so that when they are used in different senses, as is often the case, we should be on our guard against confounding them with each other. What Christian unity is, as delineated in the New Testament, it has been the object of the preceding pages to show. How far what has been advanced applies to what is usually termed the unity of the Church, we propose now to consider. Nothing perhaps has conduced more to make the subject of the unity of the Church appear perplexing to many persons, than the common practice of using the word church in a variety of senses, which are without sanction from the sacred writings. The perplexity and difficulty arising from this source have been greatly increased by writers frequently using the word Church as an ambiguous term, without adverting to the ambiguity. When the unity of the Church is spoken of, accordingly, it is necessary, in order to guard against misapprehension, to ask ourselves, What church is meant? The word church is now sometimes employed to signify an edifice designed for public worship; sometimes to denote the clergy in contradistinction from...
