

## Top Secret: British Boffins in World War One

By David Rogers

Helion & Company. Paperback. Book Condition: new. BRAND NEW, Top Secret: British Boffins in World War One, David Rogers, The early years of the 20th Century saw many advances in technology, for example aeroplanes were taking to the skies and wireless telegraphy becoming more widely available. There were also new war machines such as submarines and tanks. Additionally, pharmaceutical drugs and photographic components previously supplied from German manufacturers were no longer available during the Great War of 1914-18. Responding to some of the technical challenges, the Council of the Royal Society formed a War Committee, which in turn commissioned sub-committees concerned with chemistry, physics and engineering. Later, sub-committees relating to food, grain pests and the use of natural products were also initiated. For its part the Government formed the Admiralty Board of Invention and Research, the Munitions Invention Department, the Chemical Advisory Committee and others. Fellows of the Royal Society were key to both the Royal Society and Government initiatives. But who were the Fellows and why should they be of such strategic importance? Fellowship of the Royal Society is restricted, and requires individuals to be at the peak of their chosen scientific professions. All Fellows are experts in their...
