The European Court of Human Rights is an international court based in Strasbourg and is part of the Council of Europe. The Court rules on individual or inter-State applications alleging violations of the rights and freedoms set out in the European Convention on Human Rights by any of the Council's 47 Member States. The Court's case-law makes the Convention a powerful living instrument for consolidating the rule of law and democracy in Europe. Reports of Judgments and Decisions is the official series of leading cases selected by the most senior judges at the Court because of their high jurisprudential interest.
