Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

21ST CENTURY GIRLS: HOW THE MODERN WORLD IS DAMAGING OUR DAUGHTERS AND WHAT WE CAN DO ABOUT IT

Orion Publishing Co. Paperback. Book Condition: new. BRAND NEW, 21st Century Girls: How the Modern World is Damaging Our Daughters and What We Can Do About it, Sue Palmer, An absolute must-have parenting guide to raising girls in the 21st century. 'There can be no keener revelation of a country's soul than the way it treats its children.' Nelson Mandela Childhood, as a stage in human development, has been steadily eroded. Children today are introduced to 21st-century adult values and behaviour at an increasingly early age, long before they are developmentally ready to cope with them. We expend immense time and effort attending to their material needs while simultaneously neglecting their developmental needs. In this important polemic, Sue Palmer believes that if we do not get a grip on this problem soon, the increase in developmental disorders, behavioural difficulties and mental health problems recorded by experts over recent decades will soon spiral out of control. Sue discusses challenges faced in the 21st century including: -the problems facing parents in an age of materialism -the way gender wars have intensified those problems -the debate about the 'female brain' -the reasons why contemporary culture can be so damaging for children, especially girls -the challenges involved in detoxifying family life Every parent, grandparent, teacher and carer of girls needs to read this book.
