Product Description: With Crusades of Valour: When Gods Collide, you can introduce religious conflict into your campaign world as both a background and foreground element for all levels of play. Low-level characters can take part in crusades, joining an army or signing up to one of the crusader orders. At mid-level they can undertake special missions to capture or destroy a temple of another cult, as well as lead entire formations of a crusading army. Finally, high-level characters might themselves call for a crusade and seek to raise followers to build up an unstoppable force of belief, charged with the destruction of an heretical enemy.
