

General History of Civilization in Europe

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a comprehensive history of how civilization developed in Europe, and thus a history of how the continent was settled and formed various nation states. From the intro: There are three sorts of written history: 1. A mere orderly statement of facts, unconnected in the narrative save by the order of succession. This is hardly more than a catalogue of facts and events, and does not properly constitute history. Such were the annalistic writings and the chronicles of earlier ages; some of the modern elementary histories belong in this group, if anywhere among historical writings. 2. A detailed recital of events and facts, so framed as to show the more immediate causes and the direct consequences and results of those events and facts. Here the causal relation between events, not widely separated in time or place, is brought into view. This is the aim of general histories, histories of individual countries, and most histories of special periods. This group includes the larger part of historical writings. 3. A study of the growth of historical ideas, of the forces that have moved men and nations, of the causes which have been operative through long periods directing the tendencies of peoples, of the development of institutions, and of their relation to the general march of history and to the advance of civilization. Such are works which trace the history of political institutions and of the ideas and forces that have shaped them. It is obvious that the aim of this last group is really the ultimate aim of all historical inquiry-not merely to know facts, but to learn the deeper purpose and meaning which run through all history, and...
