Every single day, my troubles worsen. After nearly losing Gabe, I've come to realize just how much he means to me. Yet even though I might want to confess my true feelings to him, doing so would leave me far too vulnerable at a time when I can least afford it. That's because devastating news about the Link Protocol and my grandmother are threatening to send my career, and my life, spiraling out of control. With the demise of my only relative seemingly imminent and Gabe's unceasing demands weighing on me, I'm not sure how much more I can take. I've never been under such relentless pressure. What am I going to do? This is the fourth book in a Billionaire Romance series presented in serial format. It is not a standalone.
