The Tips, Secrets, and Techniques on How to Become Smart. Everyone wants to be smart. Usually, people with high IQs are behind successful businesses and ventures. They are almost always rich or relatively well-off. People often associate intelligence with success, wealth and even fame, because that s what one sees in the real world. However, not everyone is born smart or intelligent. Not all people are lucky enough to inherit the smart genes of their parents and ancestors or are fortunate enough to be born with an outstanding IQ. Everyone wishes they could be smarter at one point or another. Well, you do not have to wish for it anymore. You could learn to enhance your cognitive abilities by using certain techniques and strategies to make you effective in your respective pursuits. In this book, you will learn the secret of becoming smart that could propel you to the top of your class, achieve the highest honors, be a successful smart entrepreneur or executive, and anything else that you want to be. The techniques you will learn from this book are all applicable regardless of your pursuit - whether you re a student, a struggling employee or executive, or an aspiring entrepreneur. Yes, you can t stop your wishful thinking of becoming smart and having a high IQ. However, you can actually achieve this goal by learning some techniques that you need to adapt in your daily life, and you will become smarter in no time. If you are struggling in your studies, in your career, or in whatever endeavor you are engaged in right now,...
