Brand New Book ***** Print on Demand *****.Excerpt from When We Were Little, Children s Rhymes of Oyster Bay When we were little, we lived in an old gray house in Oyster Bay Cove, so close to the harbor that the high tides in the Spring and Autumn always flooded the dark, earth-floored cellar. For two hundred and sixty years the little old house has stood there, and in all that time has never gone out of the possession of the lineal descendants of the stanch old pioneer who built it. For that reason, the love of the old traditions, the old ways, the very rafters over our heads and earth beneath our feet, were not only, bred in our bone, they were soul of our souls. Until a very few years ago, the life in Oyster Bay was as simple in many respects as it had been for the past two centuries.
