A PARTIAL RECORD OF WORK OF GRADUATES OF THE RENSSELAER POLYTECHNIC INSTITUTE (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Partial Record of Work of Graduates of the Rensselaer Polytechnic Institute The occupations of the eight hundred and ninety-two living graduates of the Rensselaer Polytechnic Institute are almost as varied as are the more important avocations of men. Its eminent alumni may be found in nearly all professions and in every field of industry. It is, therefore, surprising that there should be a substantial unanimity among them all in attributing to their technical training much of their success in life. Those who have embraced mercantile pursuits are often as enthusiastic as the engineers in commending the education received at our institution. The same might be said of well-known natural scientists, manufacturers, architects and editors. It would be interesting, if practicable, to so classify the whole body of the alumni as to afford some evidence of the effect of technical education in qualifying young men for any business requiring alert, incisive and precise mental power. The purpose of this pamphlet is to deal only with the more simple problem of pointing out the success of graduates of the school in a few of those pursuits which naturally absorb the greater number. The Annual Register contains the names and present residence and occupation of every living alumnus, compiled from the latest sources of information. It is indexed geographically, so that graduates in any community may readily be identified. Men of great reputation in every sphere of life will be recognized by those having but a limited acquaintance with the business and intellectual activities of the day. Registers will be sent to persons interested on request. A more exhaustive investigation of the work of graduates, including that...
