HarperCollins Publishers, United Kingdom, 2016. Paperback. Book Condition: New. 178 x 111 mm. Language: English . Brand New Book. In the grand tradition of George R.R. Martin and Robert Jordan, Sunday Times bestselling author Peter V. Brett continues his critically acclaimed Demon Cycle with the next dramatic instalment: THE SKULL THRONE. The Skull Throne of Krasia is a seat of powerful magic that unites the tribes and keeps the corelings at bay. From it, Ahmann Jardir was meant to conquer the known world and end the demon war once and for all. But Arlen Bales, the Painted Man, opposed Jardir s invasion and challenged him to a duel to the death, opening a struggle for succession that now threatens to tear both nations apart. Renna Bales, who may hold the key to peace, has disappeared. And as Jardir s sons move to claim the throne, risking a civil war among their people, Leesha and Rojer struggle to unite the Greenland Duchies against the Krasian advance. All the while, the corelings have grown stronger and without Arlen and Jardir, none may be able to stop them.
