Ed), Jeffrey Wands, Gifted psychic Jeffrey Wands' connection with those 'on the other side' began when he was six years old. One day, in his family's apartment in Long Island, he met and talked to his great grandmother Mary - even though she had been dead for twenty years. It was the first step in a remarkable journey that has led to Wands' current status as one of the most acclaimed and successful psychics in the United States, with a huge radio listener ship and a television show in the works. In **THE PSYCHIC IN YOU**, Jeffrey Wands traces his development as a psychic and describes what it's like to grow up with such an extraordinary gift. Using a series of dramatic anecdotes, he illustrates the joys - and the awful pain - that this faculty has brought him. **THE PSYCHIC IN YOU** is also a practical guide that will show readers how to hone their own intuition and improve their lives - from taking a better career path to contacting loved ones who have crossed over. Enlightening and highly readable, **THE PSYCHIC IN YOU** dispels the myths and superstitions that surround psychic phenomena and provides a decidedly down-to-earth look at communicating with the other side. Informative and absorbing, it's essential reading for those seeking a richer, more insightful life.
