## CATS & KITTENS IN ACRYLICS: READY TO PAINT

Search Press. 1 Paperback(s), 2012. soft. Book Condition: New. You don't need strong drawing skills to begin painting, with this book of acrylic projects by art teacher Julie Nash. Taking beautiful cats and kittens as her subjects including a ginger tabby, a pair of playful kittens, a long-haired Persian, another kitten with Christmas tinsel, and an elegant Siamese Nash presents five easy-to-follow lessons complete with full-sized, reusable tracing templates. The book is illustrated with 200 step-by-step photos and includes a complete list of the brushes and paint colors used, as well as additional finished subjects and a sixth tracing template, to try on your own. "It's so much more than a step-by-step. It's like having the artist hold your hand. This book should give you the confidence you need even if you cannot draw." [YarnsAndFabrics.co.uk](http://YarnsAndFabrics.co.uk) "Cats are one of the hardest creatures to get right and are a complex series of curves and colors that it's all too easy to get wrong. Julie Nash manages to capture not just the anatomy of her subjects, but also their character and the sense that, even in repose they are ready to move instantly." [ArtbookReview.net](http://ArtbookReview.net) "Animals are always a tricky subject. In this volume, Julie Nash paints five different subjects (poses and colors) and every one of them is completely lifelike these are the best cat pictures I've seen." [Paint 48](#).
