Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

AUTOBIOGRAPHY PASSED THROUGH THE SIEVE OF MAYA

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Maya is the veil that covers our real nature and the real nature of the world around us. It s like dense clouds that prevent us from seeing the sun. Our clouds appear as egotism, selfishness, hatred, greed, lust, anger, ambition. (Vedanta Society of Southern California) Purists argue that autobiography must tell the truth. Others say we can add fictional elements (who remembers the exact dialogue, for example?), as long as we tell the essential truth. I think we all see so-called reality through the veil of illusion, and the best we can hope for is to convey the nature of our particular illusions. These are mine.
