TIME RETURN: RED MOON TRILOGY BOOK 2: RED MOON TRILOGY

Silver Hawk Press LLC. Paperback. Book Condition: New. Paperback. 310 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. In this coming of age debut trilogy, USA Today Micah Caida turns dystopian young adult fiction on its ear with a breathtakingly fresh science fiction, fantasy story that is as much a thriller as it is a romantic tale. Time Trap, book 2 in the Red Moon trilogy Her Time. His Time. No Time Rayen promised to return, Gabby must return, and Tony cant return. Three teenage friends are connected by a shared secret that forces a decision with consequences no one expects. When Rayen arrives on the Red Moon sphere again, she finds shocking changes. Her arrival causes more upheaval and danger for the MystiK children, creating a heart wrenching challenge for Callan who must choose between duty and holding onto the one girl he cant have. But walking away is harder than he expects when a new MystiK male in the sphere is poised to take Callans place. Under threat of attack from an unexpected enemy, Rayen and Callan must put their personal feelings aside to unite a village in chaos. Choices backfire, trust is forfeit and alliances shift as elements of the Damian Prophecy begin to fall into place and the time of reckoning is closer than anyone expected. What readers are saying about Time Return: I loved reading this second book, Time Return. Everything developed fluidly from Time Trap, and the characters were true to themselves, and yet bold. There was tons of action in the Sphere and outside of the Sphere, and watching the characters face so much that pushed them all to the physical and emotional limit was a great ride. Time Return certainly delivered what I was looking for-action, intrigue, and a lot of fun. Thank you...
