Quercus Publishing. Paperback. Book Condition: new. BRAND NEW, Classic Robert B. Parker: "Looking for Rachel Wallace", "Promised Land", Robert B. Parker, Two of the finest early Spensers in a single volume - this is Classic Robert B. Parker. In the first novel, Promised Land, Harvey Shepard's wife has run away. Spenser has been hired to find her. A seemingly easy mission: go to Cape Cod, find the missing woman, then sit back and enjoy the sun. But it seems there is more to this case than meets the eye. Who are the shady figures Pam Shepard has been seen with? And why does Harvey keep showing up with bruises? Both Pam and Harvey are in over their heads, and soon Spenser will be too. In the second novel, Looking for Rachel Wallace, Spenser is hired to protect Rachel Wallace, the outspoken feminist. Left-wing lesbian meets muscles and machismo. Chalk meets cheese. It is not long before Rachel fires him. Then she disappears. Spenser feels it is his duty to save her. And once he has made up his mind then no bigot, Klansman, or family will get in his way. He will not stop until he finds Rachel Wallace.
