Pages Number: 499 Publisher: Foreign Languages Teaching and Research Press Pub. Date :2009-07. how different characteristics of each part to a targeted review of the word it? First of all, because I heard that, regardless of family, hearing the word spoken in a large number of recurring, so editors will be combined listening and speaking vocabulary, so that both the review at the same time, so that complement each other. I heard the word classic part of the project settings are as follows: [phonetic] word meaning [Stone Exhibition of speech to expand the word master. I heard expand vocabulary; [I heard that familiar phrase] with the usual oral, listening to shorten the reaction time, improve fluency ; [combat] I heard the dialogue scenes, news phrases to help you practice oral communication skills; [idiomatic expression] to grasp the main entry associated with a fixed match, to avoid syntax errors. Second, the TOEFL test in reading the article contains a lot of technology, medicine, astronomy and other terms, while officers have only to read the cause cognitive disorders, as long as the understanding of words to the effect, for understanding the whole article would not have any problems. This word in the review in a second focus position, composed of editors dedicated to taking the reading to improve vocabulary, you can review the candidates had look after the key word, so familiar know these names, they can. In the classical reading the word in the vocabulary you need to focus on listed Four Satisfaction guaranteed, or money back.
