Pelican Publishing Company, United States, 2015. Hardback. Book Condition: New. 231 x 180 mm. Language: English . Brand New Book. Enter an enchanted land of mythical creatures where manticores reign and ogres roar-a land of mystery and fright. A unique twist on traditional rhymes of everyone s youth, Monster Goose Nursery Rhymes presents a more sinister approach to these childhood classics, and yet the sing-song nature of the poems renders them playful and jovial at the same time. Little Witch Muffet is not frightened by a silly, little spider; she simply adds him to her stew! Rotten zombies, giants, dwarves, and goblins mingle with werewolves, centaurs, and fauns. Follow along the skeleton stepping stones, scale up a palisade, claw at the window of a tasty child and bake him into a pumpkin shell. Monsters cook up delicious elvish pie, too! Every kid who has an eensy weensy bit of sense wants a pet with feathers white as snow, who flies like an eagle and bleats like a goat-a hippogriff, of course! Six forest sprites with four times as many pixies escape from a loaf of bread atop the elaborate table of the fey queen; her feast has flown away! If you enjoy mischief and have a penchant for the morbidly hilarious, the Herzs rhymes will satisfy your mythological curiosities. Larson s illustrations give new life to these ancient figures, and her artistic style employs the bold lines and colorful movement of an action-packed comic book. The author also includes a bestiary with information about the book s legendary creatures, which hail from Scotland, Germany, Italy, Persia, Haiti, and Scandinavia.
