ANNIE S JOURNAL: ADVENTURES OF A LOVELY GUIDE DOG

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Annie was my second Guide Dog. I knew that dogs had a short life, but somehow my mind tricked me to believe that she would live around twenty five years just because we loved each other and I took good care of her. When Suzie passed away my sorrow reached a magnitude impossible for me to manage, and during several months the darkest night took over my life. Although Annie and I bonded soon, some part of me resisted connecting with her at a deep level, and this slowed down the process to develop the profound connection that must exist between two living beings in order to become a team, especially if they are a human and a guide dog. I sincerely regret if my resistance caused Annie any problem. Each dog is an individual and as such, unique and distinctive to others. This difference is still more notable if we compare two dogs from different breeds. Suzie was a German Shepherd and Annie a Labrador and Golden Retriever mix. I found difficult to deal with this change, but I prayed, asking God to help me. Little...
