## DIARY OF THE WHITE BUSH CLOVER

1st World Publishing, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Diary of the White Bush Clover is the remarkable story of a Japanese woman's peace pilgrimage, walking alone three hundred miles from Ky to to T ky, praying for those who died in the war. It is an inspiring story of devotion, compassion and spiritual awakening, told simply by a woman with a selfless purpose. Diary of the White Bush Clover is a walking meditation into the power of kindness and the potency of immanent danger. The teachings of the Buddha evoke the power of grace that reflects a constancy of surprise. The reader is asked to partake in the daily discipline of pilgrimage that mirrors the repetitive character of mind. The purpose of meditation from this perspective is not only to stop attention from wandering but to enter a place where the clarity of pure awareness peeks through the instability of confusion. Through the power of Goto Hiroko's commitment, prescient landmarks impress the inner traveler with a steady eye that defies obstacles and melts despair. This spiritual journey is not undertaken on the seat of a cushion but with the increase of resolve that coincides with the gradual wearing down of one pair of sneakers. Both the delicacy and ferocity of nature are represented, holding the reader's concentration so that fears are gently tamed. -Janet Sussman, author of The Reality of Time Goto Hiroko's memoir, Diary of the White Bush Clover, reads like the best Japanese poetry. Her story is larger than she is, revealing the soul of the Japanese people, a nation wounded by a terrible war. As she tells us what...
