ELFLANDEA 1: THE STAFF OF AEIRDRADE

Createspace, United States, 2015. Paperback. Book Condition: New. abridged edition. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Elflandea is a story of survival like Lord of the Rings except about Elves instead of Hobbits, the magic of Harry Potter and the drama of Game of Thrones. At the core of Elflandea is the struggle for survival for a society of Elves and their search for the 20 High Elven Artifacts. Despite their great power, the Elves still need to deal with the personal aspects that people of today are undertaking today. Elflandea is a way of thinking that transcends life by brings out the best in people. These stories were written to improve the world and set a moral example that has never been seen before. The story line was created 30 years ago, through actual game play. But the scripting came to life through real life experiences. It s what I like to call Semi-Fiction. Elflandea is magic, drama, romance a place where dreams do come true. At the same time these stories are rooted in world and personal history. The dialogue in the scripting is based upon real stories with real people. The story line is about elves but they have many of the same issues that people have today. It s a parallel of real people with real problems. We are also going to create concepts that have never been seen before like armored Pegasus. Not the ones you find on a teenagers wall, I am talking about a mithril clad monster that is fast and a fighting platform used for dog fighting and close ground support i.e. P-51 Mustang. The scripting calls for dog fighting Pegasus using WW2 fighting maneuvers vs poison breathing dragons. I am a student of...
