Quercus. 1 Paperback(s), 2012. soft. Book Condition: New. (Winner of the 2013 Barry Award for Best Mystery Novel and France's prestigious CEZAM Prix Litteraire) When a grisly murder occurs on the Isle of Lewis, with similarities to another killing on the mainland, Edinburgh detective and native islander Fin Macleod is dispatched to the Outer Hebrides to investigate at the same time embarking on a voyage into his own troubled past in this first novel of Peter May's Lewis Trilogy. As Fin reconnects with the people and places of his childhood, the desolate but beautiful island and its ancient customs once again begin to assert their grip on his psyche, until it seems every step toward solving the case brings Fin closer to a dangerous confrontation with the same dark forces that shaped and nearly destroyed his life. Winning numerous awards internationally particularly in his adopted home of France May's haunting trilogy follows Edinburgh detective inspector Fin Macleod as he is drawn back to his boyhood home on the Isle of Lewis. The starkly beautiful landscape of the Outer Hebrides becomes almost a character itself in this series, rendered in unforgettable detail by the Scottish-born author, creator of the Enzo Files and China Thrillers series as well as major drama series for Scottish television. "A thriller with an intensity that never slackens, chilling and igneous at the same time, like the great country that serves as its setting. A masterpiece indeed." L'Humanite "Two bodies are found hanging from trees: one in Edinburgh, the other on the Isle of Lewis, the most northerly isle in the Outer Hebrides. Edinburgh cop Fin Macleod, originally from Lewis, is assigned to the case for no more reason than that he speaks Gaelic. Two narratives vie with each other. One involves Macleod's struggles with confronting people whom he left behind years ago. The other,...
