## Home Networking Annoyances: How to Fix the Most Annoying Things About Your Home Network

By Kathy Ivens

O'Reilly Media, Inc, USA. Paperback. Book Condition: new. BRAND NEW, Home Networking Annoyances: How to Fix the Most Annoying Things About Your Home Network, Kathy Ivens, The beauty of a home network is that it can make life so easy-- what could be better than sharing an Internet connection so that everyone can be online at the same time? With home networking you can move files from one computer to another, share resources, print to a single printer or multiple printers from any computer in the house, and IM the kids when they're holed up in their rooms. And the downside? Anyone who's ever had to troubleshoot a network glitch doesn't need to ask that question. The simple words, "Why can't I print? Why can't I get to the Internet? Why does my computer say 'Access Denied' today, when it worked fine yesterday?" are enough to send the home network administrator running for cover. And the concept of "network security" can keep the soundest sleeper tossing and turning all night. Currently, more than 8 million homes in the US have installed a network of some kind, and within five years, that number is expected to jump to 37 million. This speaks...

### Reviews

*A top quality ebook and the typeface used was interesting to learn. This can be for all who statte that there had not been a well worth reading through. I am just pleased to tell you that this is basically the very best ebook i actually have go through in my individual life and can be he finest book for at any time.*
